

How to Design a Better Smartphone Case

TeachEngineering

Design

Create and use new materials, as well as new combinations of existing materials to design innovative new products and technologies.

Suggested Learning					
Time	10 : 00	Cost	0.00		
PreRequisites					
Requirements					
Skills					
		Focus	Level	Standard	Points
	Applied Science			NGSS	21
	Mathematics				21
	Teamwork				21
	Written Communication			CC	21
Total Skill Points					84
Knowledge Gain					
Analyze various materials and substances for chemical and physical properties of matter. Integrate knowledge of chemical and physical properties.
